

UNITED WAY Snapshot

UNITED WAY Priority Areas

HEALTH ACCESS

All people in our community will have access to supportive services and care that promote physical and social-emotional health.

ECONOMIC MOBILITY

The ability to improve your financial status can have a multi-generational, positive impact on the overall well-being of children, family, and community.

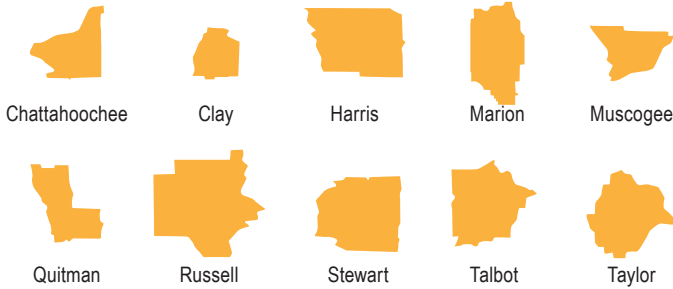

EDUCATIONAL EQUITY

Ensuring that all children have a great start in life, are supported in school and in their community, are reading on grade level, and graduate high school on time – ready for college or career.

UNITED FOR *Collaboration*

United Way is a champion for positive change, striving to develop realistic strategies to tackle the issues that matter most. We partner with organizations and groups to ensure our initiatives meet the needs of our neighbors. Our collaborations allow us to continually adapt to better provide all people an equal chance at success and well-being. Let's work together for a brighter future where every individual matters.
